

RACES AT THE LAKE

Revised List of Entries for the Boat Club's Regatta.

NEW STRAIGHTAWAY COURSE

From the Boat House Southwest—A Perfect View of the Finish from Every Point on Shore.

Today Grand Rapids will have an opportunity to witness the first regatta held here since 1883. At this event an Oshawa crew, composed of Abe Carroll, Charlie McQueen, John Fox and Will Sergeant, smashed the junior four record. Today's race will be rowed over a new course, which has recently been laid out. The flags have been moved up from the northern corner of the lake, and are planted a little northeast of the boat-house. The course is straight away for three-fourths of a mile, and runs nearly east and west, being inclined a few points to the south. A few hundred feet from Manhattan beach the turn is made, and the finish takes place only a short distance from the club house.

This course is equally as good as the old one and affords a far better opportunity for the spectators to witness the finish. The members of the club and their lady friends will be afforded accommodations in the club house. No arrangements have been made for the comfort of spectators in general, but they will have no difficulty in securing as good a view of the race as can be obtained from the boat house. The promenade at the park, and the upper balconies with accommodations for several hundred on-lookers. The docks that stretch along the shore of the lake furnish room for two or three thousand persons who may be interested in the races.

Entries for the Races.

The course is so admirably laid out that the oarsmen can be seen from every point given at every stage in the race and the finish will be in sight of every body.

The Entries for the Races are as follows:

Second crew—Harry Perkins, stroke; Will Simmons, No. 2; Fred Perkins, No. 3; J. W. F. Haines, bow.

Single scull—Stinson La Grou, Thomas Brady, E. B. Gavett, of Ionia; J. W. F. Haines, bow.

Doubles vs. pairs—Abe Carroll and Charlie McQueen, double; Will Simmons and J. W. F. Haines, pair.

The judges will be as follows: At S. White, O. O. P. Hughton and Warren Swadlow. Charlie Fox will act as starter. Fred Ball as referee and Peter Doran and Charlie Annis as timekeepers. The medals will be awarded by Fred Ball and Warren Swadlow. The presentation to take place in the boat house at the completion of the races. The oarsmen entered have been in training for several weeks, and are all in the pink of condition. If the lake is not choppy this afternoon, the public will be given an opportunity to see some exceptionally good races, and some equally good amateur time. The races will begin at 3 o'clock sharp.

AT A TESTIMONIAL TONIGHT

Grand Illuminated Niche to Be Given at The Leland Tonight by the Out-of-Town Players and Sellers.

Invitations for one of the swiftest social functions of the season have just been issued. The scope is in the nature of a grand testimonial ball in honor of a well known friend from Boston. It will be given under the patronage of the following gentlemen, all of whom are temporary guests in the city: Elgie Illinois Symonds, H. H. Hildebrand, Frank Khroum; Fred Mountains, T. Ashpie Grunt, Fatty Walsh, Steen Wurtzburger and Franz Moorsky.

The floor managers are as follows: Phil Slegman, E. Samuel Redpath, Harry Dunbar, Cheese Winters, Wagonload Morbid, Johnny with his gun.

The following star chamber suite sellers have kindly consented to act as a reception committee: Harry Buyer, T. Louis Sullivan, J. O'Brien Austria and J. Fred Stoneboat. Before being received by the committee, guests will find it advisable to have left their valuables in the hotel safe.

Gorgeous Decorations.

The beach will be gorgeously decorated in honor of the event. The sky and landscape have been painted turkey red, and beer will be provided for all guests to have conscientious and other scruples against drinking champagne. All guests are requested to take the Reed's lake cars for the beach. Special hay-rack wagons will be used for return conveyance.

A special program has been arranged, to be carried out between the dancing numbers, which will be confined to the cancan and the Bowery reel. Mr. P. Slegman will exhibit the wheels in his head and give all spectators an opportunity to see them go round. Mr. Fatty Walsh will sing the new and popular waltz song, "I've Got Fifteen Dollars in My Inside Pocket." Mr. Wagonload Morbid will be seen in some new and pleasing feats of legerdemain. By special request he will show how a 34-foot box car can be filled with a stuffed chair and a seven dollar bookcase. Johnny with his gun will exhibit original kodes of himself in the act of declining a drink. Able Grunt and S. Samuel Redpath have been engaged to take charge of the check room and slice ham for the sandwiches.

Stretchers will be provided for all guests who are overcome by the enthusiasm of the dance. The morning after the ball, seltzer and lemon, and brandy and soda will be served at breakfast in The Morton by special request.

Frank C. Hall, Don Seamen, Frank Welsh, Paul Markoff, Fred Stollberg are hard finish geniuses who have the ball in charge. Last night they decided it should be a subscription affair, and every furniture man that showed his head inside The Morton was promptly sandbagged and made to contribute his share toward the grand function. The committee's methods were not exactly those used by Mr. Ward McAllister in arranging for the Patriotic ball, but they were equally successful. Klingman, Lambert and Brower will lead the grand march at 8:30 to-night, and nothing less than a blue poker chip will be accepted at the door.

TEETH!

Beautiful teeth are a luxury few possess.

We have found people say they would give

anything they had for such beautiful teeth as

so and so had.

All teeth are capable of this with proper care.

Washes and pastes should be avoided as they

are injurious as are also many of the powders.

A properly prepared powder, however, is the

only right and perfect thing to cleanse and pre-

serve the teeth. This we have succeeded in pro-

ducing after much labor and expense.

The formula is by one of the most noted dentists of

this country and is absolutely perfect.

SAPODENTA—is the name we have adopted for

it, and we are the exclusive owners and man-

ufacturers of this wonderful Sapodenta tooth

the only perfect tooth powder on the market.

That it will prevent decay and tender the teeth

more beautiful than ever before with any other
